The work area will be moved further back on the property to get it away from the grave plots. This will be accomplished early summer. Another qualified individual inquired about the open highway worker position. The AUD has been submitted and results will be discussed when full town board is present. Read a DEC letter pertaining to public fishing rights easements on Mud Creek also known as Fenton Brook allowing anglers access to the bed and immediate banks of stream for the sole purpose of angling. The land owners still retain ownership and full use of the property. The Town of Leon has 90 days to respond with comments or objections. Flags will be mounted on poles soon.
